The Farmers of Mills are arranging to purchase a threshing machine on the co-operative plan. They will get a 22-36 Red River Special, and a Witte 15 h. p. gasoline engine. J. E. La Rue is at the head of the movement and will run the outfit. The cost will be about \$1200 and they will have a good little threshing outfit.

Atty. Dudley Durria was up from Solano Tuesday on legal business and a welcome caller at this office.

Choral Union Organized

At the 5th Sunday S. S. Ass'n Convention held at Mosquero recently, a committee was appointed at the suggestion of Wm. F. Smith, of Mosquero, to form a musical society to be known as a Choral Union of the Churches and Sunday Schools on the mesa.

This committee met in Roy on last Saturday and elected Rev. C. E. Hunt, Pres. Mrs. Geo. Lucas Secy. and Treas. Choir leaders were named as follows.

Mills, Mrs. Coffman.
Mosquero, Wm. F. Smith.
Solano, F. M. Hughes.
Pleasant View, J. W. Johnson.
Liberty, Mrs. Lucas.
Roy, Miss Lillian Griner.

The first meeting is set for the Old Settlers Picnic at Pleasant View, August, 10th. Each Choir is expected to come prepared to assist in a musical program.

Base Ball Game

The Base ball fans of Roy and vicinity held a carnival last Sunday. The two games that were scheduled were both pulled off, Roy being the winner of both games.

The morning game with Solano was pronounced by all one of the best games ever played in Roy. The score in seven innings being 4 to 2. Carlos Branch was in the box and Justice behind the bat and they were ably supported all around. Blake did the twirling for Solano and Gierhart caught. They had rounded up some mighty good ball players and the Roy team are fixing up some of their weak places for the return game at Solano next Sunday.

The afternoon game with Liberty Twp. was not quite so good. The Roy boys had to even up for the one lost to Liberty the previous Sunday and they did to the tune of 31 to 6. Baker Shannon arrived from St. Louis just in time to pitch for Roy, and the country boys found it hard to locate the ball. The Roy team is fast company for any of them and are still open to challenges. A good crowd was present at both games and the grandstand was a safe and comfortable place from which to enjoy the game.

Solano came to the game with an ex-league pitcher and catcher of more than local reputation but they were not prepared to find Roy with home talent in Carlos Branch in the box and C. L. Justice with the "big mitt" who could out class them. There was some mighty clever battery work on both sides.

The Home Run by Justice was one of the sensations of the day. He brought in two other scores along with it.

The Liberty Twp. boys are divided as to their future policy. Some of them want to find some one they can beat and then quit and others are ready to quit now. Keep up your courage boys.

New Precinct Deferred

The County Commissioners, at their last session, deferred action in the matter of a petition by citizens of Mills and vicinity for a new precinct.

It appears petitioners failed to submit a map of the proposed precinct or designate the boundaries and for this and other reasons, the petition was tabled and will be taken up again at the next regular session of the Board to meet on the first Monday in October.

Why He Stopped the Fight

In a recent interview in Denver Captain Fred Fornoff of the New Mexico mounted police said:

"I stopped the exhibition when it ceased to be a contest," he declared earnestly. "I am not a reformer and I love real red-blooded sports, but I draw the line on such alleged prize fights as that disgraceful Fourth of July event. Flynn was completely at the mercy of Johnson and I did not propose to let the thing go any further. Every fair-minded man at the ringside will bear me out in this statement."

"Furthermore, if my action in stopping that fight will keep all future prize fights out of New Mexico, you can take it from me that I am glad I stepped in the ring. If the people of this country want such exhibitions, I say let them have them at home. Don't try to make New Mexico a dumping ground for affairs that other communities refuse to tolerate."

Child's Birthday Party

Little Eugenia Alldredge celebrated her fifth birthday last Wednesday by entertaining twenty one little girl friends at her home. Her mother and elder sister, Miss Helen, personally managed the affair and refreshments and made it a red letter day for the guests as well as for their little hostess, who wears an air of newly acquired dignity. Miss Eugenia reigns as a despot over a large circle of loyal friends.

The Embroidery club met with Mrs. Fred Brown as Hostess Thursday afternoon.

The ladies of Solano are serving ice cream every Saturday afternoon, again this summer.

They have a two-fold object in this. One is to entertain the people who come to town and the other is to raise money for the new Union Church. It is a laudable philanthropy and they certainly do serve big dishes and fine cream.

Mrs. L. E. Alldredge and children accompanied Mr. Alldredge on a business trip in the auto to Mosquero Monday.

J. Frank Smith and Wm. F. Smith were up from Mosquero Saturday attending the farmers' Club meeting.

Your Town

If you don't like the kind of town that this town seems to be, if buildings here are tumbled down a way you hate to see, if something isn't up to date, or good as things of old, while other towns are simply great (or so you have been told.) You needn't pack a trunk or grip and leave the folks behind, you needn't go and take a trip, some other place to find, you needn't go and settle down where friends of old you miss, for if you want that kind of town just make it out of this.

Federation of Farmers Clubs

At the meeting of farmers club called by Prof. Trumbull, District Organizer and Representative of the E. P. & S. W. Ry. The six Farmers Clubs on this Mesa were represented and a Federation formed under which all the clubs can act together in all matters of mutual interest. The meeting was called to order by Prof. Trumbull, and its object stated, R. W. Boulware was chosen temporary chairman and Prof. J. E. Russel of Mills, Sec. The matter of a federation was freely discussed and unanimously adopted.

J. E. Russel, of Mills, was elected President.

Wm. F. Smith, of Mosquero, Vice President.

G. R. Abernathy, of Roy 2nd Vice President.

R. W. Boulware, of Pleasant View Twp. Secy. and Treas.

A committee of one member of each Club was appointed to prepare a Constitution, and rules of Order to govern the Federation and present for adoption at the next stated meeting.

The committee chosen is as follows Prof. R. S. Trumbull, Roy Chm.

J. E. La Rue, Mills,

J. M. Elder, Liberty,

J. W. Johnson, Pleasant View,

L. P. Upton, Solano,

Irvin Ogden, Sr. for Mosquero.

This committee met at once by request of the Chairman and decided to meet for the purpose of performing the duty assigned to them, at Roy on Saturday, July 20.

A meeting was called by the President for Saturday, July 27th, at Roy to complete the organization and adopt a constitution and rules and an invitation from the Pleasant View Old Settlers Picnic Association to meet with them at their Annual Picnic on the second Saturday in August, was unanimously accepted.

The matter of a federation being disposed of, on motion of J. Frank Smith of Mosquero, the matter of marketing the wheat crop was taken up for discussion. Prof. Trumbull presented a proposition that the mills at El Paso was the logical market for our wheat and stated that he had taken the matter up with the El Paso mills and found them willing and anxious to buy the wheat direct from the farmers delivered F. O. B. cars at stations on the line of the E. P. & S. W. Ry. in carload lots. Some of the clubs reported having already decided to pool all their wheat for this market and the matter was taken under advisement by the others. A decided sentiment in favor of the local market was evident but the sense of the meeting was that this co-operative plan should be fully investigated and that all should keep in line to sell to the best advantage. A committee was appointed to confer with local buyers with a view to reaching an understanding with them and estimating the amount of wheat to be marketed. This committee consists of Messrs Abernathy, of Roy, Wm. Smith, Mosquero, Hill, Pleasant View, Hewlett Mills, Upton, Solano and Woods of Liberty.

The officers of the Railroad Co., has promised to arrange freight rates so as to effect a considerable saving on El Paso shipments.

Other matters were discussed at the meeting which will be made public at a later date when they have been more fully worked out.

Ralph Hazen and Ernest Letherman, of Mosquero, played with the Solano ball team Sunday. They were evidently not new at the game.

MARCOS C. DE BACA,

President.

GEO. W. PRICHARD,

Secretary.

R. W. Boulware is wearing his right eye in a sling lately. His friends pretend not to believe his story that he got something in it.

Generous Donation

Mrs. Burton, of Solano, was in Roy Saturday and called to show us a letter from the President of the E. P. & S. W. Ry. Mr. James Douglass, of New York, enclosing a check for \$250.00, a gift from himself and three of the employees in his office to the new Union Church at Solano and expressing sympathy and encouragement in the movement for the cause of righteousness. This is but one of many evidences of the interest and good will of the Railway officials for the settlers here.

We heartily congratulate the Church workers of Solano upon this substantial recognition of their efforts and also in the possession of the finest Church building on the mesa.
